5. **REVIEW.** Revisit session content from a different angle to consolidate our learning.

### **Module 1 Goals**

- Learn a Gospel framework to help us better understand what God has done for us in Christ.
  - So that we continue to grow closer to God and more willing and able to glorify Him.
- Practise articulating the Gospel (= God's story) and how it intersects with our story.
  - So that we can talk with others about Jesus and the difference that knowing Him makes.
- Pray for our family and friends who don't know Jesus yet.
  - So that they might share in knowing Jesus with us.
